

# OHIO PERSON-CENTERED CARE COALITION

## **Why become a member of the OPCCC? Here's why!**

### **What's the purpose of the Ohio Person-Centered Coalition?**

The OPC3 is created to provide educational opportunities and support to organizations in their journey in person-centered, individual - directed care. We are charged to coordinate and disseminate resources, work with provider associations, regulatory agencies, consumers, advocates and providers to promote person-centered, individual - directed care in Ohio.

### **Who can become a member of the Ohio Person-Centered Care Board?**

Membership in this not for profit (501 C-3) organization is open to all individuals or organizations that support the philosophy of person-centered, individual-directed care and the OPC3.

### **Why become a member of the OPC3 Board?**

- You will be recognized as a leader in promoting person-centered, individual- directed care in Ohio.
- You will have the experience of working collaboratively with others who share a passion for making person-centered care a reality!

### **What's expected of Members of the OPC3 Board during their two-year term?**

- Promote the principles and practices of person-centered care;
- Attend three meetings of the Board of Directors and the Annual Meeting;
- Participate at the Committee level in one of the OPC3's standing or ad-hoc committees;
- Support OPC3 by identifying and recruiting additional members;

### **So, how do I become involved at the Board level?**

It couldn't be much simpler! Just complete a Nomination Form for yourself, for a friend or colleague. The OPC3 Election committee will review all nominations to fill available seats on the board. The Committee, chaired by the OPC3 Secretary, will make selections and inform each applicant of their decision. A new board member orientation and welcome is scheduled for January, 2020.
